“ *I am deeply saddened to learn of Melody's passing . However, I am grateful to know she is safe and happy with our Lord. I remember fondly that cute little smile I would see on her face when I worked with her . My prayers are with each of you .*

“ *Darrell and family ...  
We were shocked and saddened to learn of Melody's passing. Although we haven't had an opportunity to see each other during our adult lives, we both have many fond memories of Melody from our childhood days. May God bless you and comfort you as you grieve, for that is also a form a love. Keep memories of Melody close in your heart, and she will always be with you.
