“ I don't know where to begin! I knew Michael ever since I was in Kindergarten--needless to say I grew up with him. My heart and mind are so sad at this time. He was an incredible guy growing up and was trully of good stature. Michael will be trully missed. I never knew you Jill, but I know that you and your children are in my thoughts and prayers. Michael was well respected in school and could play some basketball!!:) He will be trully missed with a sore and heavy heart. I have come to realize that God needed another "strong and steady tree" for his forest. May God Bless You and your family during this time of loss.

“ I graduated from High School with Michael. He was such a really sweet guy. He was kind to all who knew him. It breaks my heart to hear such horrible news of his death. God bless you, Jill, and your family. I can not imagine the pain you must feel. I will keep you in my thoughts and prayers. From what I've heard, he continued being a great guy and father. He was a role model for others and well-respected. I am glad to have known him.
