“ I am thinking of Michael now and that big grin and smile that would light up the room. Michael will be missed in so many ways. He and Tate would help me pick blueberries and they also helped me to get mom's car started when we couldn't figure it out. He was so kind and good at so many things. We love you Michael. We send our deepest sympathy and prayers to all of Michael's family. May God be near you and hold your hand during this tough time!

“ Goodbyes are not forever. Goodbyes are not the end. They simply mean I'll miss you until we meet again. Michael was a friend and classmate that we've done a lot of things that I'll never regret ; the good ones or the bad ones, moments I'll never forget. I am praying for God's comfort and strength during this difficult time. Fly high Micheal 🙏
