“ *My sympathies go out to each of you this Christmas Eve. I know y'all I are very proud of your mother and miss her so very much. I'm an RHS classmate of Harry Holliday. Mrs. Holliday's persona helped s hape me into the woman I became. I'd like to honor your Mother by posting this description she fits so well, found in Proverbs 31:10-31. “ *I want to offer my condolences to the Holliday family and friends. It is a painful thing to lose a love one in death. Even Jesus gave way to tears when his friend Lazarus died (John 11:35). Our heavenly Father of tender mercies knows your pain. He never purposed his human family to have health issues, grow old, and die but to live in perfect health and life forever. It is still his purpose (Psalms 37:11,29). He calls death an enemy and promised to remove sickness and death__ 1 Corinthians 15:26 “The last enemy, death, is to be brought to nothing”; Isaiah 33:24 And no resident will say: "I am sick"; Isaiah 35:5, 6; Job 33:24,25 “Let his flesh become fresher than in youth; Let him return to the days of his youthful vigor.” Finally, He promised to undo the effect of death by bringing our love ones in the memorial tombs back to life__ Hosea 13:14 "From the power of the Grave I will redeem them; from death I will recover them." I hope these words give you all comfort.*

“ I was one of her students in the 1950's in Calhoun County and remember her classes very well mostly for reading from the Bible before class started. She and her husband were both roll models for me and I am sure many other people for many years. My thoughts and prayers are with her family.
