“ *i will never think of wrestling without remembering how much you enjoyed it. hearing you sitting on the front porch on a nice summer night playing the guitar and singing.you worked so hard to take good care of your family especially the girls, 18 years ago when i first moved in next door, i cut my finger pretty bad,was alone,no car,no phone,so i ran next door scared and you said oh that ain't nothin' and bandaged me up,that was just the beginning of a long wonderful friendship, we will always love and miss Popaw Mitchell the rock of his family.*
