“ *Dearest Family,
Our prayers are with you during this time of saying goodbye to Aunt Irene. As I look at the pitcher of Uncle Mark and Aunt Irene it brings back many good memories. It seems like yesterday when Uncle Mark gave me my first Beagle and shotgun.*

We hope and pray that you will let the Lord comfort your hearts during this time. He loves you and will help you like no one else can. May the Lord bless and keep thee, may His face shine upon you.

“ *Dearest Ouida, Pat, spouses and Children,
Our deepest sympathies are extended to you during this season of
sorrow. Aunt "Reno" was a favorite of mine and I do treasure each
memory. She made life much better for me each time I was in her
presence. May our dear Lord bless you and Heaven's sweetest
comforts be yours during this time.*
In Christ,
