“ *We were so very sorry to hear about Nancy. We all loved her and have many wonderful memories of growing up with the Steele's and spending lots of time together through the years. Nancy always welcomed us into her home and we have fond memories of fish frys and nights playing kick the can and kick ball. Nancy had an infectious smile and always looked beautiful!! Scott, Robby and Marc....we are so very sorry for your loss and just know that you are all in our thoughts and prayers!

“ To you three men and your families: My sympathy and thoughts are with you. I lost a wonderful friend, but have many good memories. I was in first grade when she was a senior. She was Miss Ashland and I was little miss. I could not have been any more enamored with anyone ever than I always was Nancy. She will be greatly missed. I have pictures made at her retirement party that I will get to you. Wanted to bring them so she could look at them with you, but after I was sick and COVID came along I am in protective isolation and now it's too late. She had seen them but wanted her to get to see them with you. Will miss her!
