“ *Pauline was a life long friend of my parents, Ruth (Blue Mountain, MS) and Luke (Preston, MS) Davis. Luke and Joe worked together at Kraft. We were concerned when we did not get a card this year and found the obituary. Pauline was so kind and helpful to Ruth after she came down with Alzheimer's. She would go with them to the farm in Blue Mountain. We were able to visit her several times in Memphis. God bless her sweet soul.*

“*Pauline and Joe were related to us, and when I was a small girl in Ripley, Ms. -- we saw them so much. When her husband Joe began work with Kraft Foods Company he knew of a place in that company for my Daddy, Leland Carter! -- My mother is Helen Rowland, and all of us together had such good times! My older sister is Carolyn, and she recently died. Pauline would have wanted to know that.*

Just grew up in Ripley, then Walnut, then Olive Branch -- and these are the same towns as Joe and Pauline. We were so happy when their first son was born!

Our love to all the families, as my Daddy and Mother would have been at this funeral of Pauline for sure!!

I think they are all enjoying time again in heaven.

My love to all the family,
