“ I remember Mrs. Coombs' kindness toward me and other students at Macedonia. Way back then I didn't always appreciate the high values that she and Mr. Coombs tried to instill in some of us slow learners. I remember that Mr. Coombs invited local pastors to speak to us-how times have changed. I actually remember some of the things they said. Thank you Mr and Mrs Coombs.

“ Ms Neil was my mother's (Rose Tapp) roommate for several years at the Assisted Living. She was a dear sweet lady and I know she will be missed. My thoughts and prayers are with you and your family.
