“ *Nova was the sweetest lady anyone could ever meet. She was truly an angel walking among us here on earth she has touched so many peoples lives, but her time here on earth was cut too short. She clearly fulfilled her job that Jesus sent her to do. She will be truly missed by so many. Heaven gained their Angel back Friday night and we will all see her again one day. Rest in peace Nova. She is flying high and rejoicing with Jesus watching over us. FLY HIGH ANGEL.*

“ *I cannot imagine what you all are enduring this week, burying your daughter, young mother, wife, sister, cousin, best friend. Nova was one of those people lit from the inside, lighting up everyone around her. I haven't seen her since high school, but vividly remember her laugh, voice, and twinkling eyes full of expression. She was protective and a leader. She was selfless. I'm still shocked by her passing. Too young. But I am in awe of the lives she has touched. God bless you and keep you in these coming days & months.*
