

Pamela Wilson Thompson

July 7, 1956 - October 5, 2025

Pamela Wilson Thompson, age 69, entered her eternal home with her Heavenly Father on October 5, 2025. A devoted follower of Jesus Christ, Pam's life was a living testimony of her unwavering faith, expressed through her selfless service and genuine love for everyone she met.

For 48 wonderful years, she shared a joyful marriage with her husband, Ronny, building a home filled with love and faith. Together, they raised two sons, Chad and Matt, whom she cherished beyond measure. Pam's greatest joy, however, came from being "MeMe" to her ten grandchildren—nine loving grandsons and one precious granddaughter—each of whom knew they were deeply loved.

Pam served Pine Grove Baptist Church faithfully in many roles, most notably as a Sunday School teacher and pianist, where her gentle spirit and steadfast devotion touched countless lives. Her faith was not confined to the walls of the church; it was evident in every act of kindness and service she offered to others.

A tireless and efficient worker, Pam spent 28 years with the USDA Rural Development Agency, helping many families achieve the dream of homeownership. Upon retirement, she joyfully embraced her new "career" of caring for her grandbabies—a role she considered her life's greatest calling.

Pam also lived out her faith through her unwavering devotion to family. She lovingly cared for her mother and father, always putting aside her own needs to tend to theirs, especially in their later years. She extended that same love and care to her aunt and uncle and to her father-in-law and mother-in-law, serving them with humility and compassion.

She had three brothers she loved deeply: Jimmy, Dub, and her twin, David. She was also blessed with two brothers-in-law that she loved dearly, Steve and Tim. This love also extended to the sisters she gained through marriage. All of her nieces and nephews adored their Aunt Pam, whose warmth and genuine affection made every family gathering brighter.

Pam never placed value on the material things of this world. Her treasure was found in the relationships she nurtured and the lives she touched. She never met a stranger, greeting everyone with kindness and sincere interest. Her remarkable gift of heartfelt conversation left people feeling seen, valued, and encouraged.

Whether cheering from the stands at a grandchild's ballgame or serving up a delicious home-cooked meal, Pam poured love into everything she did. Her family will forever remember the warmth of her kitchen, the gentleness of her touch, and the steadfast faith that guided her every step.

Pam's legacy of love, faith, and service will continue to inspire all who knew her. Though her physical presence will be deeply missed, her spirit lives on in the hearts of her family, friends, and church community. She now rests in the peace and joy of her eternal home with the Lord.

She is survived by her husband of 48 years, Ronny Thompson; two sons, Chad (Lyndsey) and Matt (Olivia); ten grandchildren, Elijah (Vivian), Everett,

Easton, Emmett, Madden, Miller, Jane Catherine, Walt, Sims, and Chap; three brothers, Jimmy Wilson (Jinnie), William "Dub" Wilson (Patty), and David Wilson (Angie); two brothers-in-law, Steve Thompson (Valerie) and Tim Thompson (Becky); five nephews, six nieces, and several great-nieces and great-nephews; and a relative she considered an additional son, Justin Thompson (Jenny).

She was preceded in death by her parents, Leroy and Mary Wilson; and her in-laws, Frank and Mary Thompson.

Pallbearers will be her nine grandsons.

“ To all of the Thompson Family and especially Ronny and the sons and grandchildren, Jimmy, Dub and David, this world, community and church were blessed to have had Pam Wilson Thompson in each of our lives. She was one of the most sincere persons I knew during our long work relationship and our friendship. Pam had that great sense of humor, kindness and love for her family and especially her grandchildren, and her love for the Lord. Heaven has received a true Angel and Servant who has left her mark on this earth. Love to each of you. Diane Taylor

“ *I was saddened to hear about Pam. I only knew her from the medical office where I work, but over the last several years she would make it a point to just chat with me every time she came in. Such a kind and sweet person. I looked forward to seeing her and Ronny. Prayers for the family! May God comfort you in the days ahead.*

“ I was heartbroken to learn of Pam’s passing, Pam and I went to work with USDA at almost the same time and I worked with Pam for many years when she was in Ashland, Ripley and finally Corinth. I will forever cherish her warm smile, servant heart, work ethic, competence, encouraging words and most of all her desire to serve her Lord and Savior Jesus Christ in everything she did. Pam also had a keen sense for style and class that was evident in all she undertook. My prays are with Ronny, Chad, Matt and her much beloved grandchildren.

“ Ronny, you know Pam and Karen were friends in high school and Pam was always there for her right up until the end. Karen was lucky to have a lifelong friend like her. I remember Pam and I were talking at Karen's service when she looked around me and said, "Lee, Miss Betty Ruth (Carrol) just came in with one of her coconut pies! Let's go be first in line!" 😊❤️ Always so funny and sweet! I bet LeRoy and Russell are celebrating in Heaven right now watching their favorite BBall team back together again! I know you and your family have suffered a great loss. You are in my thoughts and prayers. Sincerely,
Lee Gray

“ Pam and I met at church camp when we were teens. She was such a sweet and fun person to be around. We kept in touch for a while, but we didn't live close together and we each had our own lives as adults. It warms my heart to read all of the tributes from people who knew her as an adult and realize that she continued to be that sweet, wonderful girl I knew. I am saddened for your loss. My prayer is that God will give you the comfort that only He can.

“ *The world lost a good one, but heaven got a little brighter. I was fortunate enough to work with Pam for several years at the Corinth service center. She made the best pimento cheese ever! One of my fondest memories of her was from the lunch table: it seemed that she would always forget something in the fridge, or her glass and almost everyday she'd say, "Y'all just wait, I'm gonna get my best scratched out in a minute. " She will be missed, but she is in a better place... Pam was a beauty image and out, a true vision of Christ's love.*

Yes! Pam was a beautiful lady and so graceful and such a sweet person. She was fun to be around and was a great cook! I enjoyed our work days at the USDA Service Center in Corinth. I liked to scare her just so she would scream! I know her family is hurting and my prayers go out to you. She is no longer suffering and is singing in heaven's choir. 🙏🙏
