“ *Pat was one of the BEST people I ever met. She was always friendly & her door was always open. When my mother & my last close relative in Mississippi died within a week of each other I was not emotionally up for the church reception hall dinner so she prepared an entire meal plan to feed an intimate party. That's the kind of person she was. What a cook too!! What a loss for all of us but what a gain for Heaven.*

“ *I first met Pat several years ago on a genealogical trip to the Courthouse researching my Minor Family roots and then on several annual trips back. She quickly took me under her wings! She was so eager to share the treasures of the Historical Society -- we even discovered we had some mutual branches in our family trees!*

She was a beautiful, gracious lady -- in the true sense of the word -- and I know she will be sorely missed by any who knew her.
