“ *Dear Downing family, We were saddened by the news that Uncle Quentin had passed on. I have so many fond memories of Quentin and Lucille on Ray Rd, their little dog, Heidi, the hickory nut tree in the front yard and the many Sunday afternoon visits. It was touching to know he thought of daddy often even at the end. They were good brothers and friends. I will be thinking of you all as you go through this time. All my love, Kathy Downing Barkey and family*

“ *Wayne and I wanted to tell you all once again how sorry we are for your loss---and our loss too, for he was my only remaining uncle on either side of my family. We know how comforting it is to have family nearby at a time like this and would have been there if we could. Please know that we were there in spirit and sympathy. Keep the happy memories and let go of the sad ones. Our love to you all.*
