“ *Rachel was a very special lady. I am only sorry I didn't stay in touch with her better than I did. We used to go to church together and we were friends for a long time. The last time I saw her, she and Terry were eating fish at the Chicken Supreme in Ripley. She looked good then. She will be greatly missed but I know she is singing for Jesus now.*

“ *Dear Terry and girls,*

It's been many years since Rachel sat in the chair at my salon but I can still hear her brag about all of you as I look at this picture of her. My prayers go out to you.
