“ *Faye, I am praying for you during this time. There are no words to express to make it better but know I love you and am here for you. Do you think he and Jerome are rejoicing together? I bet Jerome met him at Heavens gate. Just know I am only a phone call away. Love Fran Kennamore*

“ *Aunt Faye,  
It is not easy to find the right words to say when someone you know loses a loved one. I am so sorry for your loss. As a child I remember Uncle Buddy being one of our favorite Uncle's. He was always full of fun and laughter for us kids when we went to Grandma Taylor's house at Christmas time. My prayers will be with you each day as you go through this difficult time. Linda*
