“ *In loving memory of my cousin Randall who always took the time to call my mother LaVerne, to check on her and to keep her updated on the latest “Ripley news.” This meant so much to my mother in her later years.  
Randall, Aunt LouElla and Uncle Charlie welcomed us to their home when we would visit from Oklahoma when I was a teenager -and Randall always tried to scare me with all the farm animals since I was from the city 😊
