“ I am so sorry for the loss. And, I am sorry for being late in sharing my heart. May all, that hold this dear soul so close within, also feel the gentle gift of God's love as we too are held constant and always close in the palm of the Prime Creators palm not only at this time, but at all times. The one of whom promises that his mercy and grace will be eternal.

“ Dianne, I was honored to be in the Clerk Class of 2012 with Randy. Sometimes he would just look at me and shake his head, but he never judged me. (nor did you.) He was one of the sweetest men I know. I knew if I needed anything, I could count on him. You were blessed to have 35 years with him. I know you will cherish all those memories. Praying for you and all y'all's family. - Melinda

“ *During the time that Randy was over the Ripley Funeral Home, I lost
my momma and my daddy less than two months apart. He was the
most caring and compassionate at the time that I was lost. He
recognized the pain that my babies were experiencing and was so
sweet to them. He dressed as Santa that Christmas and my kids
had their photo with him and he mailed me a copy. A small jester
that was huge to me but he was that kind of person he was.
He loved his family beyond measure. Prayers for them in the days
ahead.*
