“ *I knew Randy many years ago when we were in school together, even though he was a little bit younger. What a nice guy he was, always smiling and happy. I never heard him say a negative word about anyone, nor did I hear anyone saying negative things about him. I haven't seen Randy in many years, but I am sure that he will be remembered by all as a really good person who will be missed. RIP, Randy.*

“ *Randy was a wonderful person with the best sense of humor . He gave me my first job in 1980 with Jitney Jungle in Ripley , which began a lifetime grocery career that I will always be grateful for. More than that , Randy was a friend that you could call on at anytime , and he would always be there . He will be forever loved and missed.*
