“ Rejeana Kay, your love has meant so much to us, your “Uncle Jr and Aunt Sandra” for 47 years now, since your first day of birth, with a head full of little black curls, you was just like a beautiful little doll!! You were born 6wks and 10. days after our son John Benjamin. You and he were cousins and friends with each other and other children in the neighborhood. We’ve had lots of memories of you down thru the years. You always gave a smile to all as you grew up, and a kind person to people you met along the way! Your son and daughters are your legacy to your memory!! So after your strong fought battle with illness, I know you can say as you loved Jesus, “Celebrate Me Home”. and remember me with Joy and laughter, and a Special Love for Jesus my Savior, and my children; and Children, always look to and follow the path to Jesus CHRIST, and we will meet soon on the other side to live forever together!!! We love you!!❤️
