“ *I am sure your memory of Ricky have created pain of losing him in death a year ago; however, do not lose hope. Keep the promise from our Creator alive! Remember\_\_ “Your dead will rise ...Awake and shout joyfully you residents in the dust! ...the earth will let those powerless in death come to life.”(Isaiah 26:19) "He will swallow up death forever” (Isaiah 25:8). Exquisite joy it will be to see our love ones again!*

“ I want to offer my condolences to the Whitehead family and friends. Death is so painful that even Jesus wept when Lazarus died (John 11:35). Out of his deep love for his human family, our heavenly Father of tender mercies has given us comfort through the scriptures. He calls death an enemy and that it will be taken away forever (1 Corinthians 15:26; Isaiah 25:8). Look at this promise he has given to bring our love one back to life\_\_ Hosea 13:14 “From the power of the Grave I will redeem them; From death I will recover them.” Exquisite joy it will be to see our love ones again! Hold on to this promise from our Heavenly Father.
