“ My heart goes out to each of you during this time. Although I haven't seen Brad in years, I will always remember the years we had together in school as class mates. Brad was a very kind & funny person. I know he had a painful last few months on this earth, but he is no longer in pain. I know your pain will continue each day for the rest of your life & I pray that God will comfort you through them all. God Bless!
