“ Met Bobby when he repaired our garage door in Memphis. He was kind and encouraging ...I had tried to back out of our garage before putting the door up. And we discovered our Falkner/Walnut connection. Thankful to have met him. Prayers for all his loved ones.

“ Bobby was a kind soul. I remembered when we lived in the same neighborhood as he and Nancy in Memphis. It was a nice surprise one evening when out walking to see them. Thinking of your family during this difficult time. I know Dad will be glad to see Bobby.

“ Bobby was like a dad to my two sons, Kevin and Tracy. They have a lot of great memories of their time with him - they can tell it better than I can. We all loved Bobby and after my husband, Randy passed away, he really took Tracy under his wing. I am going to miss the phone calls from him - already do. He was a wonderful brother-in-law and uncle and will be greatly missed.

“ Pops was such a character! I have loved chatting with him at football games and dinners through the years. Him talking about his wife and dogs, and boy he loved Karsyn and Waylon, sending love and comfort y'all's way ❤️
