“ *My sincere condolences to Mrs. Watson, Eddie and all the family of Robert Watson. I enjoyed working and knowing Mr. Watson. He was so nice and kind and a great mechanic at Southern Airlines. Also, it was a joy to see and visit with Robert and his wife at the Southern Airways luncheons....we will miss him.*

“ *My sincerest sympathy is with you Eddie and family. Your dad was always a very kind and gentle man. I enjoyed working with him during the years as a secretary in maintenance and other areas of the airline industry. Mr. Watson as I called him was well respected by everyone and contributed a great amount of knowledge to the working environment. The memories of those years are awesome. God Bless You All!
