“ *I have such fond memories of Uncle Bobby, especially visiting the farm. He seemed as though he could 'reach the sky', being so tall, in my child's eyes. I loved 'pestering' him and he took it so good naturedly. He was my favorite Uncle of all and will be missed dearly. Prayers and comfort to his sons and family members.*

“ *Dear Family & Friends,*

My sympathy to all at this time of loss. I spent many memorable times with Bobby over the years. Distance separated us, except for occas. visits, letters, etc., when I & my family moved to Utah in 1954.

Words cannot express the sadness that I feel for the suffering he endured due to poor health during the last few years. I firmly believe that he is now free of that pain & in a joyous place with my sister and other family members. I, too, suffer from aging. I am now, 97 years old.

May our Heavenly Father's blessings be with all of you, to comfort you, at this difficult time.

My/our love, Bobby's sister-in-law, Gladys Meadows & Family

“ *My Grandfather was a great man and he will be missed by all of us. He loved my grandmother more than words can express and now he is with her in Heaven. I am thankful that they are together and he will feel no more pain. All my Love to our family. I am so sorry I can't be there but I will be there in my Heart. I love you! Kim*
