“ *Dearest Family,*

We can never express in words what Robert has meant to us all these years. Robert was always so bright, mannerly, kind and generous and was always interested in everything that went on around him. He always acted thrilled to see us and made us feel welcome and loved. We have so many memories of family times spent with him and Otelia - for nearly forty years starting with Phil and Laura's wedding!! Both of them shared their life and time so graciously with all of us. We will rely on those happy memories in the days and years ahead and will keep all of you in our hearts and prayers.

*Much love,
John and Lynne*
