“ *My thoughts and prayers are with you during this time. Ms. Roberta was such a special lady to me. I looked so forward to going to her house on Monday. Although we wasn't ready to give her up, the last thing she said to me, I went to see her Easter Sunday I ask could I get her anything she said yes some legs that work, she has those now. She is reunited with Ms. Ruth Jackson oh how she loved her. They are quilting the most beautiful quilt yet. I have so many wonderful memories that I will cherish*

“ *Shirley and Berta Ann, we were sadden to hear of Aunt Roberta's passing. We would come to be with you but at this late date it would not be possible to get there from Texas in time for the funeral. Just know that you have our sympathy and prayers, and so many fond memories of you Mother. The first thing that came to my mind when hearing the news was the fun weekends that our families would often spend together, and the delicious meals that Aunt Roberta would always prepare. We love you and wish we could be with you. Blessings, Charlie and Charlotte*

“ I am truly sorry to hear about "Ms" Roberta. I can remember many times when I spent the night at her house and had such a good time. She was always a very good neighbor and helpful to my mom. May all of you be comforted knowing that she is in a much better place rejoicing. God bless all of you.
