“ *Such a special man, I'm so thankful I got to call you my Uncle! You will be truly missed. Today we lay your body to rest, and I know you were so tired, but one day we'll see you in Heaven. I love you Uncle Dean! Prayers for my special cousin, Rhonda. Lord, I ask you to give her strength and let her have peace in the tough days ahead. Bless her and her family and let Uncle Dean live on through them. In Jesus Name, Amen!*
