“ Pam: We are so sorry to hear of the passing of your dear sweet mother. When I heard about her death, my thoughts went to Mary and how she loved you and I'm sure she is welcoming your mother into heaven now. Your mother always had this sweetness in her voice and her smile. Jimmy and I would be there if we could, but we are praying for you and your family. We love you, Judy and Jimmy Thompson

“ My love to you all -
Some of my fondest memories are of the days we all spent together. I will miss my "Other Mother" but know that she is in God's hands and reunited with Uncle Johnnie at last. Their love was always inspiring and a model for us all to follow.
Aunt Ruth was always the happiest when surrounded by her family. Her sweet nature and joyful laughter will always live in our hearts. Our lives will be just a little bit dimmer with her passing but she will never be forgotten.

“ *Diane, Judy, and Pam,*

What fond memories I have of your childhood home and the sweet atmosphere of love that prevailed there. In these later years, as I visited your parents, the precious relationship they shared was still evident. And lately, in my telephone conversations with Ruth, the love she continued to pour out blessed me so much. In a fresh reading of I Corinthians 13, I found the following verse as expressed in The Message Bible paraphrase: "...Trust steadily in God, hope unswervingly, love extravagantly. And the best of the three is love." Ruth lived out that verse and I am so thankful to have known her.

*Many prayers,
