“ At times like this, there are no words. Memories will live on and in these memories we will find smiles. Laughter and at times tears. Sandra, I will forever remember our time with Mike and Justin at a wrestling event when we laughed so hard we almost peed ourselves among many others. I love you. My heart is broken today. I will remember you. Please hug my son for me. I will see you all again one day. Until then, I am always holding you close.

“ Bradley, I am so sorry to hear of the loss of your mother, Sandra. A few years back Mark and I had several opportunities to dine with her and friends. Sandra could create such humor and unforgettable moments just by being herself. My prayers are with you and all of the family. Becky Lindsey
