*Lisa,
I love you, I can't even imagine how you are feeling. My prayers go out to you and the family that will miss Scotty so much. I have been thinking of his birth and the longest labor on record. I had planned to be by your side that day. God had other plans and I passed out before hand and Aunt twin was blessed to see him enter this world. It seems like yesterday, I'm sending you a huge hug and kisses . I'm here if you need me.*
