“ *Ms. Roten was such a great loving person. My brother Sammy Crum (AKA Crum Dog) to them was considered as part of the family. He was always at their store with her, her brother and her mom and dad. She was just like a mother to him who loved him to death. I lost my brother about five years ago so now they are both in heaven where a mother and son should be.. I too will always love her and will cherish the many funny things they would say and talk about.*
