“ *Coach made a lasting impact on my son, Dylan's life. She was a mentor and a friend as well as a coach. I loved her because she told you exactly what she thought and didn't sugar coat it. Coach McCoy was the true definition of friend. She helped so many young people develop talents not only in sports, but also values that would help them reach future goals. She will be truly missed and can never be replaced. Monica Rainey and Dylan Hill*

“*I am so very sad to hear about Coach's passing. She was my gym coach as well when I was in Elementary School. She always made me feel included even when I may have not of been able to do what they were doing that day because I am in a wheelchair. It doesn't seem right that she's not here anymore but I know she is no longer suffering and is in a much better place. Again, I am so very sorry and you all are in my prayers daily.*”

“ I was so sad to hear about Sherrill's passing. I will always remember teaching with her at Ripley Elementary the first few years that I taught. Her mom was my eighth grade teacher and she was in my sister Susan's class, so we had a lot of memories together. She was always so happy and full of life. She touched many lives. I know that she will be greatly missed! My thoughts and prayers are with the family during this sad time.

“ When I began teaching at Ripley Elementary School in August 1995, I had no way to know I had met one of the greatest friends I would ever have. Coach is a true friend who has smiled with me in the good times and held my hand in the bad times. So many times I have heard my boys talking about "getting on the stage with Coach." That is the Ripley Elementary version of winning the Super Bowl! I can not wait until Hunter and Austin and the thousands of other children who have been blessed to have had Coach in their lives can "get on the stage" with Coach again...and this time it will be forever! We love you, Coach, and will miss you so much, but we will carry a piece of you in our hearts forever and know that our lives were blessed and changed for having known you!

“ I worked with Sherill for a short time when she was younger, and she was so bubbly, happy and full of life. I felt that one day she would be a very special person to many people. It is with deep sorrow I will miss her as will all of her family and friends. And she has so many. May you all have God's Blessings during your time of such great loss.

“ Ashley started RES in second grade and Coach was her PE/Gym teacher. She made Ashley feel like she had always been a part of Ripley and was such an encouragement to her and our family. I will always remember her and how excited she made not only Ashley, but all her students about exercise and how she planted many seeds for sports in all our children. I also had the awesome privilege to work several years with her in VBS at Springdale Baptist Church. I will miss her and I feel very honored and blessed to have had her in my life. I will miss you Coach.
