“ *If your wanting to send flowers to the memorial service, you will need to order them from a florist in Kennett and have them sent to the church around 12:45. If you order through McBride grandpa will not receive them until we get back home.*

“ *Holding your family tight to my heart Sherry. Thank you for being not only the best Charge Nurse I've ever had the pleasure of not only working with, but the very one to teach me most everything I know. Thank you mostly for your friendship that turned into a sister-ship. I'll forever love you Sherry. I can only imagine your meeting with Jr., Jackie and your parents again. I so know my Justin is standing right there as well. Until we meet again I am forever blessed by your path and mine.*
