“ GRANDMA SHIRL

*You fed me well, you made me strong.
You taught me to know right from wrong.
You made me feel that I belong.*

You lived your best life and you always gave me love.

*You always knew the way I feel.
You used the words you thought might heal.
You convinced me it was no big deal and
Your advice would always keep it real.*

You lived your best life and always you gave me love.

*Broken hearts you helped to mend.
You knew the value of family and friends.*

You lived your best life and you always gave me love.

*You've left me now and you've gone away.
I'm left behind, I have to stay.
So I'll just have to pray that
I'll meet you again another day.*

*You always had that 'special touch'.
I loved you so very, very much.*

You lived your best life and you always gave me love.

*Grandma, your life was full of loving deeds, forever thoughtful of our
special needs.*

*Today and Tomorrow, my whole life through I will always love and
cherish you.*

*I love you Grandma Shir!
Love Always Your Granddaughter Neisha*

Momma, we are keeping you alive in our thoughts & actions, we have had (3) years of celebrating you. We all get together @ my house & have a great weekend around your birthday. We go to the cementary & release ballons & leave flowers. You are well visited, someone is always leaving flowers on your grave, I don't know who, but they visit regularly. You are not forgotten, OLD LADY!!!! WE LOVE YOU SO MUCH!!!!
