“ Reality hits when you are doing absolutely nothing at all. So as the days go by I find myself sitting here hoping and praying for my mother to walk through this door. But we all know she is gone. I dont believe that I will ever truly get that closer in this life I have left. Because I will never get the answer's to my own curiosity. But as each day passes I can only hope and pray that my mind stops wondering of all the impossible thoughts I have unanswered. Mom I love u so very much and miss u more than you can imagine.

“ Beautiful hair of silver
A halo it is
framing perfectly a beautiful face
gleaming bright in the light of God's grace

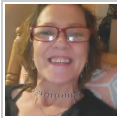

The aura around you
breath-taking; for there are no words
In humble prayer I thank our Father
praying long beside you my departed sister for the others

Your smile is assuring
and your spirit is light and sweet
I see captured in this photo for all with eyes to see
the glory of our Prime Creator all around and in thee.

With love,
Always~ #THEOST153
