“ Stan was a great man. He always made me laugh at his funny comments and wise cracks about the Hokies. He will be missed by many. Condolences to the family and his many friends.

“ My dad was the best dad ever. He always made sure I was taken care off. He was so funny and crazy. This just doesn't seem real. I'm gonna miss our long phone calls when I'm on the way home from work. I miss everything already. My dad lived to take care of his parents, and me and his grandchildren. I feel like he is gone way to soon but I know he is in a better place and no more suffering, no one deserves to go through the pain and misery he went through and I'm glad he no longer has to. I love you daddy!

“ *Stan was one of a kind. He could make me laugh and such a sense of humor. His laugh was contagious. He loved our daughter so much and was a great dad to her from day 1. We had many conversations over the years in our co-parenting roles and even in our most difficult of times he could bring a smile. I will miss the sound of his laughter. My thoughts and prayers to his wonderful family during this time.*
