“ Steven was a good friend, there were many times when I was down and out in which he would tell me, " hey man everything will be okay" and it would be. Some things just happen, we don't know why, they just do. He was a very good man and a very good friend, you all are in my heart and prayers.

“ To Steven's Family

I just found out about the passing of Steven. I know that my words will fall short at expressing my feelings and sympathy that I have for you at this time but but I want you to know that my heart hurts for you and I am so sorry for your loss. Please know that I love you all and pray that God will be with you during these times and the difficult times ahead. God is kind, in that He gives us memories to carry with us of those that go before us.

Barry and I were talking last night about all the great times that he and Steven had together when Steven was in high school. We have a fish hanging on our wall that Barry caught on one of their fishing trips. We will always remember him being the sweet, kind young man that loved to fish and hunt. Please know that we will be praying for your family in the days to come.
