“ *Our church family has so many delightful memories of Tammy that it would be hard to pick just one! She was involved in our church for several years. She would sometimes sing special music at the Sunday Morning Worship Service at Emmanuel Baptist Church. She was such a sweet person to visit and hang out with. We will all miss her. Our love and prayers go out to Ed and family at this sad time. May God hold and comfort them in the days ahead. We love their family!*

Very sad to hear that Tammy passed away. We hadn't seen each other much in the last years. When she lived here we were very close, I loved her very much. Last time we were together her health was failing. We had such a wonderful visit with her and Ed. True friendship doesn't depend on how often you see each other, it's the love you have in your heart for that person. I will always love her and hold our friendship in my heart. Our love and prayers go out to Ed and the family.
