“ *Oh, my goodness, Daryl, just got the funeral arrangements five minutes before service time...Roger and I thought the visitation would be tonight and had planned on coming to the funeral, but it was not to be. The paper did not say yesterday, and I just picked it up today.*

Tate was such a special person to us, so many memories of times at Channel 19. He was so funny and talented, and suffered so much.

I loved to hear him play and sing, especially "THIS OLD HOUSE"...I would always ask him to do it for me when the Three Old Men were there. He had a ministry in this community whether he knew it or not, and touched thousands of lives. He loved you and his family so very much. It was both an honor and a challenge to participate in his medical care. You know what an old stubborn mule he could be at times, but you just had to love him and pet him and go along with his wishes!!! This entire community is diminished by his loss. Our love and prayers are for you all at this time. Dwalia South,MD and Roger Yancey

“ *Mrs. Daryl there are no words to lessen the pain & grief of losing a loved one as we all know but with Gods loving hands & faithful heart He will never leave or forsake you as you well know. I'm sorry that we didn't make it to the funeral home, dad has been sick for several weeks & we didn't want to chance getting him out around other people. You & your sweet family will stay in our prayers & thoughts. With much love sent to you, Milton & Cindy*
