“ *Dear Kitty,*

I am so sorry for your loss. I know words cannot describe the feelings that you are feeling right now but God knows our undefined thoughts and his strength is sufficient to meet our needs. I know you cared for your mother for many years while you and Ed were leading LBWCC. I saw on numerous occasions of the love that you had for your mother in the compassion that you showed as you cared for her at your home. There is no doubt that your mother felt the love and compassion that you showed and I am so thankful that you were able to do that. I know that you know that your other is in a better place today where she feels no pain. I was delighted to of had the opportunities to know and see your mother and I know today she is smiling down on you and your family knowing that her family loved her so much. I want you to know that I miss you and Ed but I pray for the both of you each day and I will continue to do that. I have truly seen GOD at work in my life and my family over the last few months and I don't know what I would have done without his presence. Just know that he is just a thought away and he is waiting to do whatever he can to help you in this time of loss. Sheila and I love you and Ed both and I just wanted you to know that I am so sorry we couldn't be there for you. Just know we love you both and if we can do anything for you dont hesitate to call us.
