“ *We rode the same bus to school for many years. Were neighbors and friends. Your leaving this earth has left a huge void in many lives. I will not mourn your passing but rejoice in the memories of your life. I will miss your everyday post on Facebook, what you cooked that day for your mountain man, what your fur babies were doing, snuggling in their blankets. Go be with our Lord, you have a new body now, no pain. Remember the exercise I told you about? You said you couldn't raise your arm to do that? You can now sweetie. Love you, Tina.*

“ *I've loved Tina since she was a very little girl. She is a sister to Alice who was a good friend from school at Ashland Mississippi. She was a great kid and wonderfully loving, caring adult. I am so sorry to see her leave this world but thank God that she is not suffering anymore. Jeff, her children and grandchildren along Alice, Barbara and all the other siblings are in my prayers and heart always. God Bless each of you with peace and relief from this grief you're feeling.*

“ Tina, when you found me online after all of those years ago that we lived next door to your family and even rode to church with ya'll back then, it made me feel so good! I was especially happy when you let me know that you wanted to start coming back to church at West Ripley! When you and Jeff started coming, it was like family getting back together. I loved our time together at church and online. You were the kind of person I wanted to be more like, always helping others, always there whatever was needed and whoever needed something or someone. I wish I had spent more time with you! I'm so sorry for all of your physical suffering, but I know you aren't suffering anymore. I love you so much! Tell Hagen that I miss him and give my Charleigh Grace a hug for me, please! Until we meet again...

“ I will miss you my friend.
You were my friend, my sounding board, my long distance recipe sharer & the most fierce prayer warrior ever.
We will finally get that chance to meet face to face one day and that will be amazing. I'm only sorry we always had to put it off here on earth. You will forever be in my heart and I can have the comfort of knowing that you are watching over me and mine.
Knowing you was a privilege and I can only pray to be the God loving woman that would make you smile.
You made me want to be someone you would want to call "Friend "
You will always be in my heart.
Love you Lady!

“ *You will be very much missed. You cleaned my house for me when I first moved in and you invited me to your family meals and get-to-gathers and quite often you would send over a plate of food for the old man. You've been a special friend to my wife. You were a good neighbor. God bless you and yours.*
