“ Todd was more than a cousin, but a dear childhood friend that me and my brother embraced! Oh those good old days of riding up the field to see Pa Lenard on back of his little red Honda dirt bike, to the days of deerhunting with Uncle Boyd and the big cooking on Sunday afternoon while we played football outside. Todd , was very unique and was as genuine as you could get. He had a uncanny and crazy humor about him that has caused me to laugh even still over something silly he said or did many years ago 🤔😄🙏 I will forever treasure our memories of the years of growing up together. I will miss you my dear friend but I also will see you again one day in Heaven 🙏😄 May the peace of our lord Jesus be upon the family 🙏😄
