“ To the Bell Family: I am so sorry to read of the loss of your loved one. During times like this it is all too easy to feel helpless and without hope. I take comfort in God's word the bible when faced with situations similar to what you and your family may be going through. Revelation 21:4 and Isaiah 25:8 speak of a time when death and sickness will be a thing of the past. These promises are certain to come true because God can not lie. Continue to ask him for endurance until that time comes. My prayers are with you and your dear family.
