“ *I just wanted to express my deepest sympathy to the Haygood family. I only knew Mr. Tulan for a short time; but the time I did know him was truly uplifting. I can't remember a time when I saw him without a smile on his face. He was a very good person and will be greatly missed. Please know that your family will remain in my prayers.*

“ *Where there is Faith there is love;
Where there is Love, there is peace;
Where there is Peace, there is God;
And where there is God;
There is no need!
Tulan was my friend. I took care off him
and his family for many years. They were
some of most faithful and grateful patients
I ever had.
With all my love, I extend to the family my
deepest sympathy in the lost of their
precious love one.*
