“ Our world will forever miss the love and kindness that my friend, Vera shared with everyone she came in contact with. She was a friend to all and to know her was to love her. Hers was truly a "Life well lived". My life was made better because of her friendship.

“ Vera was very loved by many. She loved just as strongly. We had many good times together whether we were having fun at many places. Concerts in Memphis especially when we saw The Four Tops, and The Temptations. Connie Jo Smith looked around in the rain and Vera was already at the edge of the stage. She was hard to keep up with. I loved out time at WoodCraft too. She will be missed.

“ Mrs. Vera was the most loved person at WoodCraft. Everyone thoroughly enjoyed her sence of values and her sence of humor. She always talked about her family that she loved dearly. May the Lord give you all comfort as only He can. She will be greatly missed here, but what a wonderful addition to heaven she has made.
With love and prayers to you all,
