“ I lost one of the kindest friends I have ever had today. Vicki was loved by everyone who knew her. If she loved you, she loved you BIG! During the last almost 2 yrs. Since I lost Buddy, she was sick, but she was one of the most faithful to call and check to see if I was ok. She never complained although I knew she how bad she felt. She lived her life to the fullest, And if you knew her, you know she had a sassy side too! One of the things I loved most about her. You always knew where you stood Rest in peace now my sassy, sweet friend. I am going to miss you so much!!

I am so saddened to hear of Vicki's passing. She was always so happy & so much fun. I always loved her laugh & smile. She has always been the same loving person since we were in grade school. I didn't know she had been sick, but I know she is well now. I will be keeping her family in my prayers.
