“ It is a painful thing to lose a precious love one in death. Even Jesus wept when Lazarus died(John 11:35) and it pains our creator, too. Our loving Heavenly Father did not purpose his human family to grow old and die but purpose us to live and enjoy life. It is still his purpose\_\_ He calls death an enemy that will be removed forever(1 Corinthians 15:26; Isaiah 25:8). He promise to awaken our love ones in the memorial tombs from asleep in death\_\_ Hosea 13:14 “From the power of the Grave I will redeem them; From death I will recover them.” I hope these words give all of you comfort and hope.
