“ *Waydene will be greatly missed. She has been my mother-in-law (mom) and above all else, my friend for over 38 years. It did not matter that I was no longer married to Scotty, she never stopped loving me and I appreciated her love and support that she always gave to Peyton and myself. Go rest high on that mountain momma and enjoy your journey to see the loved ones whom you have so longed to see. Hug Scotty, Rod and Pop Carter for me. Take care of one another until I see you all again. RIP. Jennifer Lawhorn*
