“ May God Bless the Windham family during this time celebrating the life of Wayne. One of my fond memories of Wayne was during the days of our youth when he came out to our farm with my brother, Jimmie, to spend the night camping out. Our army cots were probably not more than 100 yards from the house, but it was an adventure for us.

“ Betty and family - our hearts are with you all. We always enjoyed
the times we had with Wayne - we recently told the story about
Eileen and Wayne standing in a parking lot talking until after dark -
Wayne got in his car and backed over his dulcimer. We are proud
that he is going to a place he dearly loved. Our best to the family,
God Bless you,
