“ The one that my personality truly came from. He always made you laugh and smile even if you didn’t feel like it and the hardest working man i know not because he wanted to but because he knew people depended on him. Rest now you get to take it easy. Love you Uncle Wilburn thanks for the memories 🙏🙏🙏🙏

When I was young and he came to see my dad, William Knox, they were good buddies, I always called him Wilber. He was a good man and I hate this for everyone.
